# Public Safety

Public Safety Director Troy Riggs announced on July 8, 2013 a plan to get more officers responding to runs on the street.

This plan calls for placing **101 more officers** back in patrol functions:

- **101 more officers** will be in the run queue by January 2014.
- **45 additional officers** will be repurposed to patrol functions by the end of next year
- These officers will be replaced by civilians, who cost **60% less** than sworn officers
- **Recruit classes** in **2014, 2015** and **2016** will also help stabilize the number of officers on the street in a fiscally responsible way

# City Fleet & Energy Security

- Indy has pledged to buy only **electric or plug-in hybrid electric** fleet vehicles, which translates to a savings of **\$12,000 per car** over the vehicle life
- Indy will transition snow plows, trash trucks and fire apparatus to **compressed natural gas (CNG)**
- Indy will also partner with auto manufacturers to develop a real response-ready **electric or a plug-in hybrid** police car that gets **40-50 MPG**

- A new neighborhood investment plan would allow the City to continue the successful RebuildIndy program.
- If approved by the council, the plan would provide \$350 million total for additional street, sidewalk, bridge, trail, and other projects—achieving a safer, better connected Indianapolis and Marion County.
  - Addressing all critical street resurfacing needs.
  - Amounting to an unprecedented \$1 billion infrastructure investment in just six years.
- DPW will increase priority on sidewalk projects for which residents donate right-of-way.
  - Currently, purchasing right-of-way adds 25-30% to our costs for sidewalks.
